

Announcing the Forthcoming book of

150th Anniversary of Sturgeon, Missouri

Our Community and Families

In celebration of the 150th Anniversary of Sturgeon, Missouri, the Sturgeon Chamber of Commerce is proud to announce the publication of a limited-edition book of the community of Sturgeon. In 1981 the book "Sturgeon Missouri Then and Now 1856-1981" was published and sold. The 150th Anniversary will combine the 125 year book with information and pictures from the last 25 years (1981-2006) - along with many other old pictures of Sturgeon - to create this book of over 200 pages.

The plans are to have this book released in time for our 2006 City-wide celebration, but you can **ORDER YOUR COPIES TODAY AND SAVE!** Send in this form, along with your payment, and we'll guarantee you the book for \$5.00 less than the release price.
